    )

---

On January 22, 2003, AltiComm, Inc. filed an Application for a Certificate of Public Convenience and Necessity to resell basic local exchange service within the State of Idaho. The Commission issued a Notice of Application and Modified Procedure on September 25, 2003. Order No. 29338. In comments filed October 16, 2003, Staff recommended denial of the Application due to AltiComm's troubled financial condition. Although AltiComm expects to receive an influx of venture capital in the short term, on November 4, 2003, the Company requested leave to withdraw its Application without prejudice. AltiComm indicated that it plans to refile its Application as soon as the funding has been finalized and received. At the Commission's November 13, 2003 decision meeting, Staff recommended the Commission approve the Company's request to withdraw its Application and that Case No. GNR-T-03-06 be closed.

Based on these facts, the Commission finds it reasonable to dismiss AltiComm, Inc.'s Application for a Certificate of Public Convenience and Necessity without prejudice.

**ORDER**

IT IS HEREBY ORDERED that AltiComm, Inc.'s Application for a Certificate of Public Convenience and Necessity is dismissed without prejudice.

THIS IS A FINAL ORDER. Any person interested in this Order (or in issues finally decided by this Order) or in interlocutory Orders previously issued in this Case No. GNR-T-03-6 may petition for reconsideration within twenty-one (21) days of the service date of this Order with regard to any matter decided in this Order or interlocutory Orders previously issued in this case. Within seven (7) days after any person has petitioned for reconsideration, any other person may cross-petition for reconsideration. *See Idaho Code* §§ 61-626 and 62-619.

DONE by Order of the Idaho Public Utilities Commission at Boise, Idaho this 21<sup>st</sup>  
day of November 2003.
